Haydon Bridge High School seeks applications from outstanding applicants with integrity, imagination and energy for this rewarding role as teacher of Drama. The create faculty work closely together and the successful candidate will work closely with the Head of Create who is our main teacher of Art and deliver some art lessons in KS3.

HBHS is a co-educational 11-18 high school with over 400 students on role including 62 in our 6th form. The drive to school is a beautiful traffic free 25 minutes from Newcastle upon Tyne; we serve a catchment area covering approximately 700 square miles. As a comparatively small high school, our students benefit from being treated as individuals whilst simultaneously being able to access a broad and varied curriculum and a wide range of extended extra-curricular activities. If you are a talented and professional teacher, this role offers excellent professional development opportunities and support to ensure you achieve your ambitions.

This is an improving school as reflected in our most recent Ofsted report, but we want to improve further. This is a fantastic opportunity for an outstanding practitioner to play a significant role in the Drama department. We are looking for a self-motivated individual who will support an expanding extra-curricular offer including opportunities for students at lunchtime and after school.

You will be joining us at a very exciting time, having recently finished a £4.5 million refurbishment, which has included state of the art facilities.
