

Royal Grammar School Newcastle upon Tyne

ENGINEERING, DESIGN AND TECHNOLOGY TECHNICIAN (Full Time)

Required from September 2023

We seek to appoint an Engineering, Design and Technology Technician to provide technical support to all users of the EDT Department in this busy and vibrant school. The EDT Department teaches all year groups in the Senior School and has excellent facilities. Activities include traditional woodworking and metalworking, mixed media product design, CAD/CAM, electro-mechanical and pneumatic systems, electronics and programmable digital technologies.

The position would suit a person with experience in a design and technology or engineering related environment; experience of working in a school is not essential, but candidates must display a clear commitment to working with young people in an educational environment and have a willingness to learn

Working Hours: The normal working hours for this role will be 8.30am until 5.00pm Monday to Friday during term time (40 hours per week). This is a permanent time only role plus 6 additional days to support departmental activities and 1 day for training each September.

Salary: We anticipate that the salary for this role will be c.24k for an all-year round role (based on a 37.5 hour working week). As this is a term time only post, the actual salary will be pro rata'd to c.21K gross per annum (based on TTO working, 40 hours per week, plus 6 days and a day for safeguarding training).

RGS is proud to be an equal opportunities employer and all qualified applicants will receive consideration for employment regardless of age, disability, sex, gender reassignment, sexual orientation, pregnancy and maternity, race, religion or belief and marriage and civil partnerships. Whilst all applications are considered on merit, we would particularly welcome applications from black and minority ethnic candidates who are currently under-represented in our staff community. We are committed to safeguarding and promoting the welfare of children and young people and we expect all staff to share this commitment. All posts are subject to pre-employment checks, pre-interview references and an enhanced DBS check.

CLOSING DATE

9.00am Monday 26th June 2023

TO APPLY
