July 2023

Dear Applicant

Thank you for your interest in the post of Learning Mentor at Churchill Community College. Starting from the 1st September 2023 this is a permanent, grade 6, term-time post.

We are seeking to appoint a motivated and resilient person to join our team of mentors, providing support and helping to improve outcomes for some of our most vulnerable students. Working alongside other mentors, teachers, pastoral staff and students is central to this role, and therefore the ability to build strong and positive relationships is essential, as is having a flexible and adaptable approach to working in a busy and demanding environment. The successful candidate will ideally have demonstrable experience in relating to and engaging constructively with young people from a wide range of social and ethnic backgrounds, as well as their families/carers.

Further information on the responsibilities attached to this role can be found in the attached job description.

Churchill Community College is a vibrant, exciting and rewarding place to work, and the role would be perfect for someone wanting to gain experience of working with young people in a school setting.

If from what you have read, you feel that you would like to join us, please submit a completed application form and a letter of application (not exceeding two sides of A4) outlining how your skills and experiences make you the best candidate for the post. A CV is not required and will not be accepted. The closing date is **9.00am on Friday 14th July 2023**.

Please email your application to Heather Bell, Headteacher's PA: recruitment@churchillcc.org

We expect interviews to take place on Thursday 20th July 2023. If you have not heard from us by the 18th July, you should assume you have not been shortlisted and your application was unsuccessful. I very much look forward to receiving and reading your application.

Yours sincerely

Paul Johnson
