Every Northern Lights school has its own values and its own vision and that's really important to us because all of our schools are there to serve our community but equally, our Trust is there to serve each other.

We do that with humility and with an openness because at Northern Lights it's not all about the academic - that is really important to us - but we know, as a Trust, we are successful if we have ensured that in a holistic way our children and young people have had every opportunity to experience, to flourish, to thrive, to understand the wonder and the joy of the world around them.

- Jo Heaton OBE, Chief Executive, Northern Lights Learning Trust

Welcome from the CEO

Thank you for your interest in the position of Head of Area/Director of Maths within Northern Lights Learning Trust.

We are a growing Multi Academy Trust that is currently made up of 2 secondaries and 5 primaries across Wearside and Teesside, with our central offices based in Seaham. We educate over 3000 pupils and employ over 400 members of staff and serve a diverse range of schools and communities. Each of our schools have their own individual ethos, values, and vision, which sit together as part of our Northern Lights vision of 'Shining Together and Stronger Together'. As a CofE MAT, our schools are a mixture of Church and non-Church schools that range in size and levels of disadvantage. We see this diversity as a real strength to learn from and work with each other.

As a Multi Academy Trust we are at the heart of the current educational landscape, as a designated DfE Centre of Excellence as a Teaching School Hub and DfE Early Years Hub, responsible for teacher development across all ages and phases of education, working with over 300 schools. We are collaborative in our approach and value professional development highly in all we do.

The values of community, pride, support, integrity, and the voice of the child are the foundations of our Trust. It is our mission to ensure they are embedded in everyday life, underpinned by Christianity in our Church schools. Every decision we make recognises that these values can be lived out wholeheartedly across our schools.

We operate on a culture of respect, always mindful of the quote from Maya Angelou: 'People will forget what you said, people will forget what you did, but people will never forget how you made them feel.' We seek to be an employer of choice, with 100% of staff satisfaction in our latest survey, *'I am proud to work for a forward-thinking Trust who put people development at the heart'*. We seek to support our staff to develop and thrive.

We are looking for someone whose values align with us as a Trust and has the drive and ambition to work collaboratively to provide the best opportunities and outcomes for our young people.

We look forward to receiving your application.

Yours sincerely,

Jo Heaton, OBE
Chief Executive Officer

Head of Area/Director of Maths

Welcome from the Headteacher

It is my pleasure to welcome you to Ian Ramsey CE Academy, where I am privileged to serve as Headteacher. We are a popular and oversubscribed secondary school at the heart of the Stockton community and its surrounding villages. There are approximately 1180 pupils on roll with a pupil admission number of 237 in each year group.

I truly believe that every child has the right to receive a high-quality, personalised education irrespective of ability, culture, or denomination, something reflected in the inclusive ethos and vision of Ian Ramsey CE Academy. We live in a rapidly changing society and, as educators, we have a moral obligation to meet the changing needs of the young people whom we are privileged to serve.

We want all our young people to enjoy school and achieve well; we pride ourselves on providing an inspiring learning environment and encouraging our pupils to access all the opportunities that we provide. Our staff nurtures positive relationships, caring for pupils throughout their education, to ensure that they emerge from secondary education well-prepared and furnished with the knowledge, skills, and experiences they will need to flourish in modern British society and live 'live in all its fullness' (John 10:10).

Our Academy's mission statement, '**Together to learn, to grow, to serve**', encompasses our commitment to ensuring all members of our community use the gifts we have been given to serve others to learn as individuals and build the confidence to achieve their aspirations.

Through our DEEP curriculum, we offer all pupils a first-class education based on high-quality teaching and a range of experiences outside of the classroom. Our curriculum aims to provide a broad and inspiring academic experience, which is interesting, challenging, and relevant to the needs of our pupils.

We value the importance of providing a range of life experiences, developing social and leadership skills, independent learning, and supporting our pupils to develop and thrive in new environments. In addition, we aim to remove barriers for pupils, supporting them to become successful in their chosen fields after they transitioned to the next stage of their education, employment, or training.

As Headteacher, I am privileged to work with a team of exceptional practitioners who are determined to ensure that our children realise their potential and pursue the career path of their choice.

Thank you for your interest in our academy. Visits to the school are welcome, by prior agreement. Please contact JRecruitment@nllt.co.uk to express an interest.

Best wishes,

Mal Patrick

JOB DESCRIPTION

POST:	Head of Area/Director: Maths
RESPONSIBLE TO:	Deputy Headteacher
RESPONSIBLE FOR:	All staff within the department
SALARY BAND:	Leadership Scale L6 – L9 (or L9 – 11)
START DATE:	April 2024 (or sooner)

Strategic Responsibilities:

- Act as a key member of the curriculum leaders and play a full part in the life of the school community, supporting its distinctiveness and encouraging all stakeholders to follow this example.
- Ensuring that all our pupils can ‘thrive’ on their journey through school.
- Maintaining high standards in mathematic by ensuring that systems are consistently followed by all.
- Promotion of consistently high-quality teaching and learning to ensure inclusive provision across the school, through leadership, management, development, and systematic implementation of pedagogy.
- Maintain a strong sense of teamwork and collective responsibility.
- Ensure the provision of an appropriately broad, balanced, and inclusive whole school experience/curriculum for all pupils, and challenge weakness and low standards in meeting the needs of pupils.
- Assist in the appraisal process and contribute to the process of monitoring and evaluating the curricular or pastoral areas in line with agreed school procedures, including evaluation against quality standards and performance criteria.
- Establish a fair, transparent, and working ethos in which creativity and innovation are valued and encouraged.

Duties:

The duties outlined in this job description are in addition to those covered by the most recent School Teachers' Pay and Conditions Document. It may be modified by the Headteacher, after discussion with you, to reflect or anticipate changes in the job and the current needs of the school, commensurate with the salary and job title.

Teaching and learning:

- Ensure strong common purpose and set high expectations for pupils and staff in the department.
- Manage resources efficiently so that teaching and learning is effectively supported in the department.
- Develop comprehensive schemes of learning, which include a range of pedagogical styles providing a rich experience for pupils.
- Incorporate a variety of assessment methods at key points to enable accurate judgements on pupil progress.
- Ensure appropriate pathways are available within the department to allow all groups of pupils to achieve.
- Consider how the subject can promote citizenship, enterprise, SMSC and preparation for adult life.
- Ensure teachers are clear about teaching objectives and provide guidance on methodology.
- Ensure pupils' literacy and numeracy skills are sustained and developed through all aspects of mathematics.

Leadership

- Identify priorities for improvement within the department and contribute to the academy self-evaluation and development planning.
- Contribute to and respond to whole academy priorities.
- Use data and other information to inform strategic planning to identify improvement targets and to inform the academy's leadership team.
- Develop and implement policies and practices for the subject that reflect the academy's commitment to high achievement.
- Analyse current performance of pupils in mathematics throughout the development and devise strategies for improving standards further.
- Ensure that all members of the team, including those with TLRs, have detailed job descriptions which are reviewed and updated annually according to changing needs.
- Establish, with the involvement of your line manager, plans for the developing and resourcing the department to bring about continuous professional improvement in teaching and learning to impact pupil achievement.
- Monitor the progress being made towards targets established in subject planning.
- Evaluate the effects of the department's work in standards of teaching and learning.

Maintenance of Professional Standards as identified in the Teachers' Standards, particularly:

- Keep yourself fully appraised and aware of educational and other appropriate developments whether national or local and assess their impact on the school and the team for which you are responsible.
- Always ensure the highest standards of professional conduct and confidentiality, and when with other staff of the school.
- Ensure the development and maintenance of a team culture that enables all members of the Leadership Team to be effective in their respective roles.
- Ensure the development and maintenance of a collaborative culture which demonstrates loyalty and integrity towards school colleagues.
- Uphold the school's policies and procedures.
- Develop links with governors, the Diocese, the Local Authority, and neighbouring schools.

Undertake any other reasonable professional task as directed by the Headteacher, commensurate with your role.
