Wellbeing Award
for Schools

2023-2026

Dear Colleague,

Thank you for your interest in joining our team. Burnside College is characterised by its strong community spirit and friendly working environment. Respect is one of our core values and is tangible throughout the school. We believe that strong relationships are the fabric of any successful school. Interactions at Burnside between staff, and with pupils, are based on mutual respect and are positive.

The school went through a considerable period of change following the 2017 inspection in order to raise standards and provide the best possible quality of education for our pupils. We were delighted that this was recognised in our 2020 Ofsted inspection. Burnside College was acknowledged to be a good school in all areas with outstanding sixth form provision. Staff are proud to work at our school and proud of the young people in our community. Our team continues to expand year on year as a result of now being oversubscribed.

These improvements were secured through a relentless focus on teaching and learning; we routinely consider the latest educational thinking in order to reflect on and refine what happens in classrooms. This goes hand in hand with a strong, caring, system of pastoral support and a focus on the personal development of our pupils.

Standards have continued to remain high at Burnside and there is an expectation at Burnside that staff will be determined to do the very best for the young people of Wallsend and always work positively, with the best interest of young people at heart.

In return the school offers excellent support and professional development. We offer high quality staff training which is personalised to the experience and needs of the individual. A particular strength is the effective programme of support in place for early years teachers. School leaders are considerate of the workload and wellbeing of staff and the school provides good career progression opportunities. We were delighted to once again receive the Wellbeing Award for Schools in 2023 and the inspection report stated that "Burnside College is a happy place to work and learn." In 2023-24 as part of our continued commitment to staff wellbeing, all teaching staff receive at least 33% additional non-contact time.

We are looking to recruit staff to our team that are committed to high standards and to improving the life chances of young people. Further details about our school are available on the school website.

Yours faithfully

Mr D Jamieson
