HEAD OF CHEMISTRY

Required from 1st September 2024

The Head of Chemistry is a tremendous opportunity for an innovative, energetic teacher and leader to join our Science Faculty. Chemistry is a very popular subject at the school with a fantastic track record of success, and we are fortunate to have an experienced team of highly qualified teachers to work with the Head of Department to support the development of the subject and its students. If you are committed to helping us continue that journey and apply the latest thinking in teaching and learning to lay the strongest possible foundations for our students, then we would be delighted to hear from you.

Being 'willing to go the extra mile' is a major part of the role for all teachers at the RGS, not merely in specialist activities, but in a huge range of extra-curricular sporting, artistic and cultural work. We are keen to invite applications from those who would like to make their own distinctive contribution to this ethos. We very much value colleagues who are willing to contribute to our extra-curricular programme.

Hours: Normal working hours will be those necessary to carry out the duties of the post.

Salary: The RGS has its own salary scale (which is above national pay scales for teachers)

RGS is proud to be an equal opportunities employer and all qualified applicants will receive consideration for employment regardless of age, disability, sex, gender reassignment, sexual orientation, pregnancy and maternity, race, religion or belief and marriage and civil partnerships. Whilst all applications are considered on merit, we would particularly welcome applications from black and minority ethnic candidates who are currently under-represented in our staff community.

We are committed to safeguarding and promoting the welfare of children and young people and we expect all staff to share this commitment. All posts are subject to pre-interview referencing, internet searches and pre-employment checks including an enhanced DBS check with children's barred list check.
