

St Mary's - An Outstanding School

St Mary's was judged as an 'Outstanding' school by Ofsted in September 2023. The report states, **'St Mary's is an ambitious and nurturing school where pupils thrive. They are taught how to live out the school's Christian values in everything they do. This includes a continual focus on the importance of positive relationships, gratitude and service of others. Pupils are happy and safe in this exceptionally supportive atmosphere, where leaders ensure that pupils benefit from a high-quality and expansive curriculum.'** Read the report at:

We were visited by a Diocesan Inspection team in June 2009 and January 2016 and were again judged as an 'Outstanding' School. The report states, **'St Mary's is an outstanding Catholic school providing an education which enables students to flourish'** and **'Students thrive in a community where they feel accepted and empowered to discover and use their gifts and talents'**. School Information

St Mary's is a very successful, popular and happy school, rated Outstanding by the Diocese and Ofsted. We became an academy in 2013 and enjoy outstanding facilities in a new building which opened in 2011. St Mary's joined the Bishop Bewick Catholic Education Trust in June 2020, which has grown to a partnership of 39 North East schools over time. The Trust is founded on clear principles, to educate the whole child, to ensure every child in our care has an excellent education and to work together to improve opportunities for all our children to succeed and be happy. All the schools in the Trust however maintain their individuality, uniqueness and a great deal of autonomy. As an Outstanding school, St Mary's plays a leading role within the Trust and more widely, leading significant school improvement, training and leadership development across other schools, as well as sharing good practice in academic achievement and teaching and learning across many other schools in the north-east. We also play a leading role in teacher training across the region.

St Mary's uniqueness – the only mixed, Catholic secondary school in the city

We are the only mixed, Catholic secondary school in Newcastle and are proud of our Catholic distinctiveness. We aim to live by the message of the Gospel in every aspect of school life and we take Christ as our example. We work closely in partnership with our Catholic partner primary schools from where most children come and with whom we share the same ethos. Our school is also enriched by children who come from other schools in Newcastle and beyond, including

from overseas. We welcome all students equally to St Mary's from a variety of Faith backgrounds. Everyone who chooses St Mary's can be assured of the best possible education.

St Mary's popularity

St Mary's has grown in popularity in recent years. There is a vibrant mix of cultural, ethnic, socio-economic and faith backgrounds represented in the school and whilst the vast majority of students are English, children from over 40 countries are on roll. This diversity within the student body is one of the many positive features of St Mary's. It is very rewarding to serve these wonderful students in a happy and inclusive community. The roll has grown from around 1100 five years ago to over 1440 by September 2023, with 5 main school year groups of around 240 and a Sixth Form of approximately 260 students. We expect the Sixth Form to continue to grow in the next couple of years, as larger and strongly academic year groups continue to move into Sixth Form.

The core values of St Mary's Catholic School

- An excellent school which celebrates each student's unique set of God-given gifts and talents and ensures that students use their gifts and talents to the full.
- A school which strives to live by the message of the Gospel, offering students opportunities for spiritual growth and development, whatever their faith background, supporting them on their individual journey and preparing them for their life to come.
- A school which strives for excellence in everything it does, whether in the academic achievement of our students or in the quality and range of opportunities which we provide for their all-round development outside the classroom.
- A school which puts learning and teaching at the heart of school life and prepares students really well for the next stage in their education, whether at University or in the workplace.
- A school of which we can all be rightly proud, offering our students a first class education and helping them to develop as well rounded individuals who are ready and able to take their place in the wider world, as happy, confident and self-aware young adults with a sense of service to their communities.

Exam success at St Mary's

Our students' progress and attainment are excellent, among the very best in the north-east and UK. The latest figures show St Mary's as one of 5 north-east schools with the highest value added achievement score, when measured across all the Ebacc subjects of English, Maths, Sciences, Languages and Humanities. Recent attainment is as follows:-

GCSE

- Progress 8 scores of 0.48 in 2023 and 0.69 in 2022, consistently among the best in the North East
- 79% Grade 4+ in English and Maths in 2023, and 86% in 2022.
- Over 80% Grade 4+ across the other Ebacc subjects every year
- 36% of all GCSE entries were graded 9-7 in 2023, and 44% in 2022

A LEVEL

- 41% of all A Level entries over the last 5 years were graded at A*/A
- 100% Vocational pass rate with 80% at Distinction or better and 98% Merit or better over the last 5 years

In the Sixth Form, our students have an excellent track record of gaining a place at their first or second choice university. We have successfully prepared students for entry into leading universities such as Oxbridge, St Andrews, Durham, Edinburgh and Russell Group Universities to study Medicine, Law, Architecture, Maths, Languages and many other challenging degree courses. Sixth Form numbers have consequently increased steadily over the last few years and now exceed 300 students, all following a wide range of A Level courses.

Positive climate for learning at St Mary's

You will find St Mary's to be an orderly, well-disciplined community, where learning flourishes for all students. Ofsted

described student behaviour as outstanding. We have high standards and high expectations of students regarding behaviour and readiness for learning. Students know where they stand. Rules are simple, sensible and consistently applied so that students feel safe and secure and know what is expected of them. We are smaller than some of the very large secondary schools in the city and we believe that this is a distinct advantage, as our smaller tutor groups and class sizes allow us to get to know our students really well and offer excellent pastoral care.

We praise students for their efforts and celebrate their achievements in many different ways. We believe that such a positive climate promotes learning and inspires students to fulfil their potential. Excellent student behaviour has played a major part in our record results in the last three years. Students of all abilities and backgrounds mix really well together at St Mary's and there is a positive and happy atmosphere in the school.

Partnership with Parents

We place a high value on working closely in partnership with parents to ensure the best for your children. Any parent who decides to entrust their child into our care can be assured that he or she will receive an excellent, all round education.

Aerial model of the school building – opened in September 2011

The school – front view

Our new school building opened in 2011 and we still feel so privileged to work in such a beautiful building. At the heart of the school is our chapel, which overlooks a large, two storey atrium space where students gather before school, at break and lunchtimes. This space is also used for teaching, display or presentations, after school or evening activities. Around

the sides of the atrium are the pastoral offices where students can find their Head of Year and Form Tutors.

The three main teaching blocks radiate outwards from the atrium. Two of the teaching blocks are two storeys and the third is a three storey block. It is on the top floor of this block that the Sixth Form have a dedicated suite of rooms, study area and café style work space. Departments have suites of classrooms and other teaching areas in the three main blocks linked by corridors, staircases and lifts.

The school hall and dining room can be found along the front of the school, together with an impressive range of sports facilities. These facilities include a multipurpose sports hall, fitness suite and activity studio (gymnasium). The Inclusion Suite and library are also in this area. All areas of the school are easily accessible from the atrium.

Externally, we have an extensive range of sports areas, a memorial garden, a wildlife area, seating areas for students and outdoor teaching spaces.

The school is an innovative, exciting design which we all look forward to enjoying for many years to come.
