

## **Boldon School EBacc Faculty information**

Thank you for expressing interest in the Teacher of Geography post. The post has arisen due to the promotion of the current postholder. The role will be teaching Key Stage 3 and 4 Geography. A willingness to teach BTEC Travel and Tourism would be advantageous. This post is suitable for an ECT or someone more experienced who may want a change of direction or a new opportunity.

The EBACC Faculty consists of History, Geography, RE and French and Spanish. In September 2021 we launched BTEC Travel and Tourism as a vocational option in the faculty. Each teacher has a subject specialism but as a faculty, teamwork is at the heart of what we do. The faculty works collaboratively with shared drives and collaborative planning. The faculty is forward thinking with research driven ideas and teaching and learning at the heart of what we do. Much of our teaching and learning is based on Rosenshine Principals and Teach Like a Champion but we always welcome new ideas and approaches which will benefit our students. CPD is encouraged with many of our staff undertaking NPQs on different areas which has allowed them to lead on different projects in the faculty. This post is an amazing opportunity for somebody to come and make a difference to our team. As either an ECT or a fully qualified teacher you will be supported, valued and listened to, as well as given freedom to try out new ideas.

The successful candidate will teach AQA Geography, we have over 70 Geographers in current year 10 going into year 11 and at least two GCSE classes in year 10 next year. You will be fully supported with teaching GCSE Geography. Our Key Stage 3 has recently been updated with modern Geography topics such as "Dark Geography" and some topics are based on literature such as the Almighty dollar. We encourage students to be creative Geographers and no two lessons on are the same. Students receive 2 hours per week in Geography in every year group.

We really are a supportive department who's one goal is to ensure students have the best learning experience possible as well as being extremely mindful of workload, if you are wanting more information, please visit the school Facebook and the Geography website page which is fully up to date.

We welcome visits from prospective candidates please contact Sophie Mercer at [sophie.mercer@boldonschool.org.uk](mailto:sophie.mercer@boldonschool.org.uk) if you would like to see our department and talk to us about our vision.

EBACC Faculty leader: Mrs A Anderson (History specialist)

EBACC Faculty Co-ordinator Mr A Wallace (Geography specialist)

EBACC Faculty Co-ordinator Miss S Mercer
