

Prudhoe Community High School Exams and Cover Manager

Recruitment Pack

The Cheviot Learning Trust

Cheviot Learning Trust was created in 2023 from a merger of Tyne Community Learning Trust and Three Rivers Learning Trust. The new Trust will enable our high quality staff from across all of our schools to cooperate through professional and innovative networks that develop the educational excellence all of our students deserve. We educate over 5500 students across 18 schools between the ages of 2 and 19 and employ over 750 staff. We are a charity supported by over 150 governance volunteers who hold us to account in their role as critical friends. We are proud Northumbrians; more than happy to welcome schools to join us from inside or outside Northumberland. All of the schools have a long and proud history of

providing an excellent education service to their local populations. We are seen locally as a centre of educational excellence and were selected to be the Teaching School Hub for Newcastle, Northumberland & North Tyneside. We recognise the mutual benefits to our Learning Trust through reciprocal staff development opportunities, training events, and the generation of new ways of working through system leadership. Through our teaching, we aim to equip children with the skills, knowledge and understanding necessary to be able to make informed choices about the important things in their lives. We believe that appropriate teaching and learning experiences help children to lead happy and rewarding lives.

The Cheviot Learning Trust mission

Our core purpose is to advance education for the public benefit. We believe that each school in the Trust family has unique qualities to share and unique challenges to be resolved. Deep collaboration is a key Trust expectation that helps us to deliver significant benefits for the students, the staff and the schools that form the Trust. Each school is stronger in the Trust family; delivering a better education for the public good than if they were outside the Trust.

Our vision

Our purpose is to deliver excellent education for the benefit of all and our mission is to develop all our young people to have the opportunity to succeed.

Our values

Everything we do is based around the values that we hold dear:

- **Innovation** We're here to shape the future, which is why we all have a responsibility to be thinking about the big issues of tomorrow.
- **Cooperation** We nurture the relationships that we've built over many years and we know by working together we can achieve more than we can alone.
- **Respect** We take the time to understand and make decisions and have due regard for the feelings, wishes and rights of others.
- **Excellence** We will always strive for continuous improvement and will produce the best solutions and deliver the best services possible.
