Good Schools Guide

OUR SCHOOL

Durham High School is a leading Independent Day School for girls aged 3 - 18. We were one of the first schools in the North East of England to take girls' education seriously and we are proud to continue that tradition today; we seek to develop the potential of every girl in all areas of life.

The school was founded in 1884 by the Church Schools' Company and in 1910 the school's governing body took over and formed an independent school. In the 1960s, Durham High School moved to its first purpose-built premises on the edge of the city adjacent to the new Durham University colleges. This began a period of building and expansion which continues to the present day.

Recent developments include a wonderful Nursery, a Science, ICT and Library block and most recently a new building incorporating classrooms for Mathematics and Geography with a purpose-built Performing Arts Suite and Music practice rooms.

Our Aims:

- To create a friendly, caring community based on Christian principles where every individual is valued
- To develop the potential of every girl in all areas of her life
- To encourage academic excellence and a life-long love of learning

Reputation and Exam results

Durham High School is consistently the best in County Durham for academic results and pastoral support. Classes are small and the pastoral care of pupils is given a very high priority. Our pupils consistently achieve some of the best results in the area at both GCSE and A Level.

In 2023, 71% of pupils achieved grades A*-B at A Level, which was significantly higher than national average of 52.7%. A third of all grades were A*-A, which is higher than both the North East average of 22% and the national average of 26.5%.

At GCSE, the proportion of top grades (9-7) was 59%, which is significantly higher than regional and national averages.

Scholarships and bursaries

We are keen to widen access as much as possible, with means-tested bursaries, including some free places, to enable as many girls as possible to attend the school from a wide area.

There are also academic scholarships available at 11+ and 16+ together with scholarships *in Music, Performing Arts and Sport*.

SENIOR DEPARTMENT

In Senior Department, a broad, balanced curriculum equips girls with the skills and academic excellence necessary for adult life in the 21st century. We believe that success is best achieved through enjoyment.

Durham High School's reputation for academic success is wholly justified: as experts in the teaching of girls, we know how girls learn and provide an environment in which they can flourish.

Our Senior staff are dynamic and enthusiastic, and are indefatigable in their efforts to secure the best possible outcome for our girls. Our lessons are engaging and stimulating, fostering curiosity and the determination to succeed. We encourage girls to be aspirational. Our pastoral care is also exemplary; each girl feels secure as part of a happy and compassionate community and knows she is valued as an individual.

To broaden and develop the interests of each girl, we offer an extensive extra-curricular programme with activities to suit all. There are opportunities in sport, drama and art, among others, and we regularly see pupil success locally, regionally and nationally in these areas. Our numerous clubs also include astronomy, dance, journalism, photography and practical science. Residential and day trips, as well as international trips, are offered to each age group, to help to broaden horizons to new experiences.

A key characteristic of Durham High School is a feeling of community and being part of a family in which every girl is known and valued by her teachers. We strive to ensure that not only are girls looked-after, but that they also look after each other, learning to respect difference.

Pupil voice is also incredibly important, with School Council, Eco Council, our Interact Charity group and various leadership opportunities throughout Senior Department ensuring that girls have the opportunity to make a positive contribution to the school and wider community.

Regular whole school events encourage all girls to be fully involved in the life of the school, as well as broadening their friendships to include girls in other year groups. We create opportunities both in the classroom and beyond for girls.

While academic expectations are high and we are certainly proud of our results, careful and caring support from staff ensures that girls manage their work load while maintaining a healthy balance with their other activities.

Supporting and nurturing spiritual and moral values, and encouraging positive mental health and wellbeing is high on our agenda. Our Personal, Social Health, Careers, Citizenship and Economic Education (PSHCCE) programme enables girls to explore and debate the issues and challenges they will encounter in the modern world.

SIXTH FORM

We are proud of the vibrant, friendly community the Sixth Form at Durham High School provides, with its reputation for consistently outstanding achievement at A Level.

The caring, supportive environment ensures that all girls fulfil their academic potential, as well as developing the self-assurance, the moral framework and the leadership skills they will need in a challenging world.

The Sixth Form is sometimes taxing, but never dull, and will indubitably, be very rewarding and enjoyable. We are confident that studying in our Sixth Form provides two of the most enjoyable years of our pupils' school life, as well as the best possible preparation for university and beyond.

The Sixth Form is a close-knit community where girls can relax and enjoy the exclusive use of their common room, private study room and a diner. Each girl is assigned a Tutor who provides pastoral support and academic mentoring.

To complement their academic studies, our enrichment programme covers areas such as Democracy in Action, Astronomy and Life Skills. A programme of lectures is delivered by specialists in a range of fields.

There is extensive provision for extra-curricular activities and many of our Sixth Form participate in the Duke of Edinburgh's Award Scheme. Many

trips are on offer, both social and curriculum-based, with everything on offer from Christmas Shopping trips in a European city such as Paris, to a project-based expedition to a developing country such as Malawi or Vietnam.

Sixth Formers are encouraged to be involved in the life of the school and most undertake leadership roles or work with younger girls in the school, though After School Care or by supporting some of our many extra-curricular activities.

The learning environment is designed to enable girls to achieve their academic potential. Teaching groups are small and facilities are excellent. Our highly qualified teachers, who are all specialists in their subjects, are always available to offer individual advice and support.

Our Sixth Form team work closely with girls to provide advice and support at every stage of the university application process. Practice interviews are arranged with relevant professionals and extra lessons are provided for those who need to sit additional admissions tests such as UKCAT, BMAT, STEP and LNAT.

At the end of their studies, the majority of our pupils head to their first choice university, with many taking up places at prestigious Russell Group universities, or at Oxbridge.
