## Permanent Department Leader for Technologies

Required 1st January 2025

Main Pay Scale/UPS + TLR 2c (£7,847)

Kepier is looking to appoint an enthusiastic and committed Department Leader to join our dedicated Technology Department. The successful candidate will need to have the ability to lead all aspects of technology at KS3 and at KS4. The candidate must also consistently deliver high quality teaching and learning in all aspects of the technology curriculum.

The department encompasses the subject areas of Hospitality and Catering, Design Technology, Engineering and Construction at KS3 and KS4. The successful candidate will lead a team of teachers and technicians and report on the quality of standards, attainment and learner progress. It is important that the candidate has experience in leadership and has a proven track record of raising standards.

The school is fully committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share in this commitment. As part of our due diligence and to comply with our obligations in line with Keeping Children Safe in Education, an online search of publicly available information will be undertaken for all shortlisted candidates. All School posts are exempt from the Rehabilitation of Offenders Act 1974 and therefore applicants will be subject to appropriate background checks and vetting including an enhanced DBS check and checks against the children's barred list.

Application form, job description and person specification are available on-line at [www.kepier.com](http://www.kepier.com). Application forms (please do not attach additional letters or statements) should be returned to [recruitment@kepier.com](mailto:recruitment@kepier.com) no later than 12 pm on Wednesday 3rd July. We aim to interview the following week.

We fully appreciate the time and effort required in completing an application and, whatever the outcome of this particular process, we are grateful for your interest in working at Kepier and wish you every success with your future career. Applicants who have not been contacted within 2 weeks of the closing date should assume they have been unsuccessful.
