Haydon Bridge High School seeks applications from outstanding applicants with integrity, imagination and energy for this rewarding role as teacher of PE.

HBHS is a co-educational 11-18 high school with over 400 students on role including 60 in our 6th form. The drive to school is a beautiful traffic free 25 minutes from Newcastle upon Tyne; we serve a catchment area covering approximately 700 square miles. As a comparatively small high school, our students benefit from being treated as individuals whilst simultaneously being able to access a broad and varied curriculum and a wide range of extended extra-curricular activities. If you are a talented and professional teacher, this role offers excellent professional development opportunities and support to ensure you achieve your ambitions.

This is a rapidly improving school as reflected in our most recent Ofsted report, but we want to improve further. This is a fantastic opportunity for an outstanding practitioner to play a significant role in the PE department. We are looking for a self-motivated individual who will support an expanding extra-curricular offer including opportunities for students at lunchtime and fixtures with other schools across the region after school.
